I also remember back when Minecraft was first released, how difficult it was to find anyone who was willing to play with you or help you if your work didn't work out; but I did find my lovely wonderful best friend through Roblox and we play together every single day. Even though there is no one on my friends list, I can still go into Roblox and join a game with other people. When I do that, my friend will always join me if she's in the same room. But even so, I never have any actual friends in-game because it becomes a very lonely experience as time progresses.

Roblox offers a tremendous amount of games and features which, once you have played, can easily be overwhelming. If this is the case for you, keep it simple when creating your own roblox games. Choose a theme that is highly in demand right now or create something compatible with the standard ones. A simple game project can be as easy as tapping and holding three fingers on the screen to throw balls of fire at your opponents's faces. Do not worry if no one plays your game, since this will happen when the topic becomes old news among other players.

ROBLOX was the first mainstream online game that allowed players to make a profile, interact with others, earn virtual money and characters through gameplay, and even have fun by creating their own levels and games. ROBLOX is the first online game to have players create their own virtual characters that live out an entire world just like in their actual life. [113] ROBLOX is ranked 15th in the world among "Game World or App Market" websites according to Alexa stats. [114] ROBLOX is ranked 2nd in the "Top most visited websites" by Alexa stats list. [115]
