Roblox has been accused of being an unprofitable company that does not pay royalties to its players. One of the users who quit Roblox because of this issue is a user named "Ezthero," a former moderator for ROBLOX's forums. Some others have also left the website after they learned that ROBLOX would get more money from their games if they did not sell them. However, Roblox has said that they do pay royalties to their users but only to those with large fanbases who are able to earn a lot from their games.

The best way for people to use these codes is by following some of the instructions that are being provided with them, especially if it is from an experienced developer. It is very easy for people to gain unlimited free robux when they use these types of codes because all of their games will be completely free after they use them. There will also not be any type of payment needed in order for them to do this.

Roblox has also been criticized for not having realistic physics. Roblox used to have a physics engine, but it was removed in 2021. The reason for this was because ROBLOX wanted to focus on improving their building features instead.[60] However, they later explained that this removal was only temporary and they would bring back the physics again in the near future.[61]
