Rated 5 out of 5 by Anonymous from I love this game! I love this game. It has a lot of new additions that make it so much better than the past. The only reason why my great reviews are ending is because roblox takes away your reviews at some point even if you've been playing for 2 years and it makes me sad!

Free Robux Codes are codes that can be used to get free Robux with the game Roblox. These codes are usually found by going through YouTube comments and deciphered from there. There is no guarantee the code will work, and if it does, you may not get the full amount of Robux you were hoping for. Each code posted on my channel is checked for legitimacy beforehand. In order to stay safe, you should know the difference between a cheats and a hack. The codes listed in the video above are not hacks. Hacks do not use codes, as they require an exploit in the game's coding.

This user was not banned from the site for a long time, which attracted hordes of people to his server. Roblox has been accused of being an unprofitable company that does not pay royalties to its players. One of the users who quit Roblox because of this issue is a user named "Ezthero," a former moderator for ROBLOX's forums. Some others have also left the website after they learned that ROBLOX would get more money from their games if they did not sell them. However, Roblox has said that they do pay royalties to their users but only to those with large fanbases who are able to earn a lot from their games.

Rated 5 out of 5 by Anonymous from The best game ever! ROBLOX is one of the greatest games I've ever played. It lets you make your own adventures with your

friends or in single player mode! This game I'd give a 10/10 because you can build anything you want, and there are still many things to do. For example, if you're tired of building things, there are games to play on Roblox. You can be a police officer, a fire fighter, or even an architect! Roblox is a truly awesome game that needs to be experienced!

All developers can have a Builder's Club account. However, some games require payment in order to purchase the Builder's Club membership itself, or for Builders who want more than one account per Builder's Club.

Please fix the bug that stops you from playing games and then when you log back in the game glitches and makes it start over again. It makes me very frustrated because I spend a lot of time on this app. So please fix this bug! Roblox is an amazing game but there are some issues with it. My main complaint is that when I play games so many people are rude to others but there's no way to report them or mute them and this to me makes Roblox not so fun anymore and sometimes boring because everyone else around me is just being mean when they don't have to be. There are so many cool things about the game I don't know where to begin. But the one thing that I love the most is that you can play with your friends and you can talk to them through out the game. Let's just get started shall we? I love this because it's so easy and simple. All you have to do is type in your username or email and it will find your account. Then when you are done playing a game and want to do something else click the log out button and you will be brought back to the main screen like when you first logged into roblox. This makes it easy to restart games or to go back to your profile. The first thing that I noticed right off the bat is that this app is a lot better than the one I had before. Because of this I have my hopes up for the future of roblox and how it will be in the years to come. This app gives you a ton of stuff but it leaves out some stuff so I decided to make a suggestion about fixing bugs and glitches with the app but not just bugs in general. What I really like about the app is that you don't have to rotate your phone. Sometimes when I play on roblox I have to get out of bed and turn my phone around because it's upside down because I was in bed. Thanks for eliminating that problem! This is a new feature for the game and personally I think that it is so much better than the old one. It shows you how many fans, bangs, and people are in each group you are in. This makes it easy to know how active you are on roblox.
